Stop the violence & embrace Inc. is a not-for-profit anti-violence, mentoring, and community service Organization located in Orlando, Florida.

Our focus of attention is to improve the quality of life for youth and young adults of the Central Florida area by creating a safer environment and offering training programs, and projects that redirect the lives of at-risk youth and young adults.

"We empower Youth, Communities, and Families to become leaders."

Our Mission

Stop The Violence & Embrace Inc. Youth Employment / Mentoring innovative Training Services believes in providing training services oriented toward the youth and young adults.

We empower communities, youth, and young adults to become today's leaders. STVE proposes solutions and plans projects to improve life.
